

EASEC-15 Program Modification Notice

1. Presentation Time and Venue Modifications

Session Name	Presentation	Modified Information
GS1: Bridge Engineering –Part I 11 October, 14:00-15:40 Chair: Roberto Leon, Jun Li (Curtin)	◆Instrumentation and Modeling of Can Tho Bridge Hoang Nam, Nguyen Ngoc Anh Tuan, Nguyen Cong Quang, Nguyen CungTu, Nguyen Canh Tuan	The presentation is moved to Belt & Road and Industrial Session
SS1: Special Session1 Concrete-Filled Steel Tubular Structures under Disasters 11 October, 14:00-15:40 Chair: Wei Li, Feiyu Liao	All	The entire session is moved to 12 October, 14:00-15:40 (Lyon) Chair: Wei Li, Feiyu Liao
SS3: Special Session3 Recent Progress on the Progressive Collapse of Structures 11 October, 14:00-15:40 Chair: Hong Guan, Yi Li	◆Modeling Sequential Collapse of Reinforced Concrete Planar Frames Subject to Column Removal Scenario Jian Weng, Kang Hai Tan, Chi King Lee	The presentation is moved to Belt & Road and Industrial Session
GS4: Concrete Durability 11 October, 14:00 - 15:40 (Lyon) Chair: Takeshi Iyoda, Chunsheng Zhou	◆Development of Durable Polymer Concrete Deck Pavement for Supper Long Span Steel Bridge <i>Shifa Xu</i>	The presentation is moved to GS1
GS5: Bridge Durability 11 October, 16:00-17:40 Chair: Jin-GuangTeng, Yongtao Bai	◆Galvanic Corrosion of Aluminium Alloy Bridge Guiderail Members under Atmospheric Exposure Condition and in Comparison with Accelerated Exposure Condition Emmanuel Mrema, Yoshito Itoh, Akira Kaneko, MikihitoHirohata	The presentation is moved to Belt & Road and Industrial Session
GS9: Crack Detection & Analysis 11 October, 16:00-17:40 (Bordeaux)Chair: Yasushi Tanaka, Xinzheng Lu	◆Non-destructive Testing of Tunnel Lining Concrete by using Acoustic Reflection YasuyukiNabeshima	The presentation is moved to Belt & Road and Industrial Session
SS12: Special Session 12 Recycled Concrete Structures and Sustainable Construction 12 October, 14:00-15:40 Chair: Jianzhuang Xiao, Xing Ma	All	The entire session is moved to 13 October, 08:30-10:10 (Paris) Chair: Jianzhuang Xiao, Xing Ma

2. Presentation Title, Author and Chair Modifications

Session Name	Presentation	Modified Information
GS1: Bridge Engineering –Part I 11 October, 14:00-15:40 Chair: Roberto Leon, Jun Li (Curtin)	◆ A New Model to Analyze Steel Folded Plate Bridges José Turmo, Dong Xu, Jun Lei	The author sequence is corrected to: Jun Lei, Dong Xu, José Turmo
GS4: Concrete Durability 11 October, 14:00 - 15:40 Chair: Takeshi Iyoda, Chunsheng Zhou	All	The Chair- Chunsheng Zhou is replaced by Chair- Hao Chen
SS6: Special Session6 Non-destructive Testing and Structural Health Monitoring of Structures using Dynamic Data– Part II 11 October, 16:00-17:40 Chair:Ching-Tai Ng, Yi Zhou	◆Modal Identification of Time-varying Structures with a New Time-Frequency Analysis Method Jun Li	The authors and sequence are corrected to: Jun Li, Pinghe Ni, Hong Hao and Yong Xia
GS14: Construction Management 12 October, 14:00- 15:40 Chair: BojidarYanev,Sai On Cheung	◆ An Investigation of the Relationship between Apology and Settlement of Construction Disputes Keyao Li, Ho Ching Cheung,Sai On Cheung,	The title and authors are corrected to: An Investigation of Apology in Facilitating Settlement of Construction Disputes Keyao Li , Cheung Ho Ching and Sai On Cheung
	◆The Moderating Effect of Apology on Positive Responses in Construction Dispute Negotiation Sai On Cheung, Ka In Yu, Liuying Zhu	The title and authors are corrected to: Reciprocating apology with positive responses: A case of construction Dispute Negotiation Liuying Zhu, Ka In Yu Karen, Sai On Cheung
	◆Researches in Construction Dispute Resolution Behaviors Liuying Zhu, Keyao Li, Sai On Cheung	The title and authors are corrected to: Bias Avoidance Arrangements in Dispute Resolution Procedures Keyao Li, Sai On Cheung
	◆Effects of Incentive Scheme on Construction Contracting Behavior Liuying Zhu, Ka Wai Kelly Lee,Sai On Cheung	The title and authors are corrected to: The Use and Effects of Incentive Schemes in Construction Contracting Liuying Zhu, Ka Wai Kelly Lee,Sai On Cheung
GS17: Construction 12 October, 16:00-17:40 Chair: S.L. Tang, Jun He	◆The Advancement from Quality Assurance to Total Quality Management for Developer or Client Organizations in Hong Kong	The authors and sequence are corrected to: Andrew W.T. Lau, S.L. Tang, Raymond T. Aoieong

3. Session Name Modifications

Session Name	Presentation	Modified Information
Belt & Road Session Chair: Linhai Han [CC-C]	All	The session name is corrected to: Belt & Road and Industrial Session

4. Committee Member Modifications

Committee Member Name	Committee	Modified Information
ISC members: Wang, C.M. (Australia) and Ueda, T. (Japan)	International Steering Committee	Vice-Chairmen: Wang, C.M. (Australia) and Ueda, T. (Japan)
Torero, J. (Australia)	International Steering Committee	Torero, J. (USA)

★★★Important notice: All the session venue arrangements are subject to “Program Overview”.
